Dear Raven Families:

The teachers of the Ravens team would like to welcome you and your child to the 2025 ~ 2026 school year at Schroeder Middle School.

Middle school is a unique time in a child's life and we are honored to play a small part in their development. We feel this organizational model of teams gives students and teachers a sense of belonging to a smaller group which has common goals and whose members are supportive of another. Our team emphasizes strong work habits, timely work completions, and responsibility for self and belongings. We teach good citizenship, character, and respect in all aspects of our curriculum. Oh, and we have a lot of fun too!

The key to an effective middle school is teaming. Your student will share the same teachers for most core academic subjects. He or she will also receive instruction from various allied arts teachers to round out the day. This "teaming" model gives students a sense of belonging and allows the staff to monitor each student's individual progress more effectively. If you have any questions regarding the progress of your child, we encourage you to email the teacher directly or to call the school office at (701-746-2330).

We look forward to seeing you at Schroeder Middle School next fall, and welcome the opportunity to provide students with an exciting and enjoyable learning experience.

Sincerely,

Ms. Hannah Capouch
