SUN Bucks Grocery Benefit Means More \$ for Food This Summer

About 30 million children participate in USDA's school breakfast and lunch programs on an average school day. When school is out for the summer, kids lose access to these healthy meals, but they still need nutritious food to grow healthy and strong.

Montana offers SUN Bucks, a summer grocery benefit that provides eligible school-aged children \$120, so you can stretch your grocery budget and buy more of the foods your children love! SUN Bucks is designed to work together with other benefits your family may already get, like SNAP, TANF, or FDPIR.

Learn more about SUN Bucks and how to apply or follow the QR code:
