

*Our mission is to cultivate a safe and respectful learning community that ensures that all students are successful in school and in life.*

We had a great first week back from winter break with our students! They spent time reconnecting with each other and their teachers as we gear up for a full week!

**Reminder about NTI (Non-Traditional Instruction) Days:**

- When an NTI Day is called, students will complete assignments from their NTI packets.
- School closings/NTI will be determined prior to 6:00 am and announced through Remind, Lexington News Stations, and posted on the district's website & Facebook page.
- Non-traditional instruction days allow students to keep working if we are out of school and not make up the day at the end of the school year. If an NTI day is called, students must complete one day of NTI work. Your child's teacher will be available by email on NTI Days.

If we are out more than one day at a time, students will complete one day of work for each day missed. Please remember that in order for us to receive full credit (all 10 days) for NTI, all students must complete the work from EACH NTI day and **turn it in when they return to school.**

**Celebrate Success Assembly**

On January 19th, we will get to celebrate all of our students for their hard work from the 1st semester! Invites will be sent home to families if their child will be individually recognized. Since we're unable to fit everyone in the gym at one time, we have different times for primary and intermediate. 1st & 2nd Grade: 8:30, 3rd-5th Grade: 9:15.

**English Language Families**

Our English Learner program will have an online parent program at 7:00 Tuesday night, January 9.

The EL teachers hope to see you online. Use this link.
