

Subculture Analysis: Hillgrove High School Infographic

LINK your SURVEY and INFOGRAPHIC Here:

<https://goo.gl/forms/75f1gxaVqKg7gKXr1>

1. Choose your group of 3-4 people in your class.
2. Create a storyboard for your project on how your group plans to represent the 8 components of culture. Assign roles for each member of your group. You decide the roles. You are to find an example at Hillgrove of the following components of culture. You may use a picture, quote or interview. You must include one survey. Make sure you explain HOW each of the components is represented by your choice.
 - a. Values
 - b. Beliefs
 - c. Knowledge
 - d. Norms
 - e. Behavior
 - f. Objects/Artifacts
 - g. Symbols
 - h. Language
3. As a group, roam the halls of Hillgrove to find specific examples of each component.
4. You must include each of the following on your infographic.
 - a. Two sets of data/statistics about Hillgrove.
 - b. One survey: To use a Google Form follow these directions.
 - i. Login to your Google account.
 - ii. Go to your Drive.
 - iii. Go to the +NEW button on the left.
 - iv. Scroll down to MORE.
 - v. Click on Google Form.
 - vi. Enter your questions and responses.
 - vii. ****Require an answer to each.***
 - viii. Go to upper right hand corner  
 - ix. Click Paint palette to change the look of form.
 - x. Click the arrow to create link for form.
 - xi. To see responses, go to the original form and click on RESPONSES.
 - xii. Click this  to see data in Excel.
 - c. One graph or chart: To see data on Hillgrove, go to the Hillgrove Homepage and click ABOUT US. Go to SCHOOL PROFILE to the right.
5. Use the following site to create your infographic:
