TEASER EMAIL (any time before friday)

Get Ready

This is a “heads up” email because something big is about to disrupt the I.M. space.

Hey FIRSTNAME,

Have you ever heard of a “weekend blowout” - it’s a term coined by Omar & Melinda Martin about 10 years ago when they were running an online sale?

It doesn't happen often but whenever they do these blowouts things get a bit crazy.

Customers get ridiculous amounts of value for insanely low prices. Softwares and tools that normally cost hundreds of dollars are reduced to practically pennies.

Products you wanted to buy but couldn’t afford, suddenly become within your reach. The playing field becomes leveled during a weekend blowout.

Guess what.... THIS IS ONE OF THOSE BLOWOUT WEEKENDS.

There is a FREEDOM SALE about to kick off. Keep your eyes peeled for my emails about this over the entire weekend because it’s gonna be a doozy.

Don’t just buy the products. STUDY THE MARKETING. Learn from the way they position the entire campaign.

It's pure genius and it takes place this weekend.

I can’t wait!

To Your Success,

★ 3 Steps To Online Success (guaranteed)

If you follow these religiously you just can't fail.

There are lots of "marketers" out there peddling their wares on you for a quick buck. Some are good and others, not so much.

Over the years what I've found is that this simple process is what really matters.

STEP 1 - Attract leads with REAL VALUE and build a targeted list.

STEP 2 - Create enticing bonus offers that turn leads into buyers.

STEP 3 - Drive traffic, increase conversions, and SCALE daily.

If you focus on those THREE THINGS TOGETHER you'll be truly successful but if you try to do them individually you'll probably struggle.

That's not speculation, that's a FACT. I've even experienced it myself and that's why I need you to jump on this right now.
