Interview Tips

- You should take a look at the interview questions that are attached, and think about how you will answer them. Saying "I don't know" for an answer is not a good idea. Maybe practice your answers with someone at home over the weekend.
- You don't need to dress up, but be tidy and presentable.
- Look people in the eye when you talk.
- Sit up
- Most people talk too fast when they get nervous, so try to speak at a good pace.
- It is normal to feel a little nervous. Take 8-10 really deep breaths just before you go in to your interview. That will tell your brain and body to relax a bit.
- Smile
