

## Welcome to Second Grade!

My name is Mrs. Adey and I look forward to getting to know your child this year! I've been teaching since 2010. I have taught 2nd, 3rd, and 4th grade. I love my job (and 2nd grade, especially) and I enjoy watching children grow immensely in their learning each year. It is definitely a combined effort between home and school. Please feel free to call me, send a note, or e-mail questions anytime at one of the following:

**School: 654-7377 ext. 329      Email: [adey.nicole@cashton.k12.wi.us](mailto:adey.nicole@cashton.k12.wi.us)**

### Teaching Style:

My goal is that every child feels comfortable and valued in the classroom. I stress that everyone is treated with kindness and respect. We do a great deal of cooperative learning activities that enable us to deal with individual differences.

We will use a reading program called *My View* and a phonics program called *Phonics to Reading*. This will be our third year using these highly-reputable programs. Students will learn reading, writing, spelling, and vocabulary using multiple learning styles. This program also uses technology so your child will be able to learn Language Arts using the Flat Panel, chromebooks, and hands-on activities! Math will be taught through a series called *enVision Mathematics*. This program is a problem-solving based approach which allows children to practice skills in a variety of ways.

### Schedule:

On the back of this handout you will see our daily schedule. Please note this may change slightly- a finalized daily schedule will be sent home within the first few weeks of school. These special classes will be held as follows and will not change:

**PE: Day 2, 4 and 6      Library: Day 3 and 5**

Your child will need gym shoes for PE. I highly suggest students keep a pair at school.

### Snacks:

Your child may bring their **own** snack for our morning break. Students may bring a snack each day or store a box in our snack drawer. Students also may use the mini-fridge in our classroom for healthy snacks like yogurt or fruit. Students may bring water bottles to school, but they will need to bring them home every Friday to be cleaned. If students would like to bring a birthday (or 1/2 birthday) treat, they are welcome to (per district policy, please make sure they are store or bakery bought).

### Home Folder:

Please check your child's Home Folder for important notes that come home.

# Mrs. Adey's Daily Schedule 2025-2026

last updated 8/15/25

Day 1	Day 2	Day 3	Day 4	Day 5	Day 6

Packup 2:55					
Dismissal 3:00					

\*\*Our Class will be randomly divided into two groups for art and music class. Half of the group will combine with Mrs. Alderson's class and half will combine with Mrs. Kirking's class. The "2-A" and "2-B" lists will be shared with students the first day.

## Newsletter and Facebook:

There will be a newsletter sent home each month. Important reminders will be sent home as well. There will also be a Second Grade Facebook page. This is private to 2nd grade families. Please friend request us at: **Cashton Second-Grade**

Class reminders will often be posted here as well as a few pictures. I will also post pictures of group activities and projects, as well as field trips, on our class website.

## Homework:

Please read to your child and/ or have your child read to you each day for 15-20 minutes. If there are any extra skills you would like to work on with your child at home and you need extra materials, please let me know. You can also have your child practice counting to 100 and practice their addition and subtraction math facts up to 20 to build fluency.

**Please reach out to me with any questions, updates, or concerns. Thank you! I look forward to a wonderful school year!**
