

LOCATION

We are about 8 mins from [St. Blasien](#) - the major town in the Southern Black Forest region. Our village is called [Menzenschwand](#).

AIRPORTS

The closest airports are Basel or Zurich Switzerland. We recommend renting a car and driving about 1:15 minutes to Menzenschwand. Otherwise, Uber is available to Germany, and a taxi is available for return to the airport. The cost of an uber or taxi is about 150€ each way.

TRAIN STATIONS

If arriving from the North, you will want to find a train to Freiburg, Germany and then to the Aha station. We can pick you up in the Aha station (very small little stop) if you are ok not having a car - it's about 10 mins drive from Menzenschwand.

If you would like to have a car, you can rent from [Starcar.de](#) in Freiburg - they tend to have the best rates, and then you will drive about an hour to Menzenschwand. Europcar is another option - both likely will require a short taxi to the car rental.

If arriving from the South, you will want to go to either Zurich or Basel. From there, you can rent a car.

You can look for rental cars on [Kayak.com](#) (or other) for the Zurich- Hauptbahnhof (that means train station).

In Basel, you might look at [Sixt rental](#) car near the station. The station is called Basel Badischer Bahnhof.
