

Good evening, Lake Forest High School. Please continue for our weekly announcements.

There are four more days left before winter break. LFHS wants to wish everyone a happy and safe holiday season. As we saw last year, inclement weather is always a possibility so we ask that all students bring their laptop and charger home for the winter break. Chargers are \$30 (correction from last week) if your child needs one. Please report to the main office to purchase one. So that everyone is able to enjoy the winter break, please keep your child home if they are feeling ill (fever, vomiting, or diarrhea, etc. in the previous 24 hours). The flu and Covid are on the rise. Face coverings are acceptable when recovering from illness but ski masks are not permitted, as they may pose safety concerns.

Anyone looking for a way to spread kindness and give to those less fortunate this season may join JDG for their first annual toy drive. Please see the included flier for more information or Mr. Moore in room 602. [Toy Drive](#)

Interims went live last Wednesday (December 14). There are only four weeks remaining to this semester, so please review current grades with your child(ren) and contact teachers directly with any questions.

Winter athletic games have begun. Refer to [Spartan Sports](#) for specific dates of games and matches. Remember, no large bags will be permitted into the gymnasium and spectators will not be able to enter any game after halftime. The pre- purchasing of tickets electronically via [Ticket Spicket](#) is highly encouraged.

Seniors, now is the time to purchase your cap and gown. Refer to the link associated with this message for more information. [Senior Cap & Gowns](#)
