Welcome to mentorship “Until Success do us Part!” This is intended to assist you with skills, direction and creative ideas that will help you stand out in your career. The program includes writing assistance, mentorship sessions, training and guidance in implementing creative ideas, career e-portfolio and access to resources.

### **Terms and Conditions**

You will be assisted with **three major writing pieces monthly**, if you desire additional help with more writing pieces you may be required to pay extra. **You will receive mentoring sessions on a weekly basis**, which comes with **guidance on implementing creative/solution focused ideas**. You will also receive **unlimited access to resources** from a data- base in google classroom platform.

The monthly cost is ten thousand (\$10, 000) Jamaican dollars or sixty- five (65) US dollars which must be paid in full on the 26<sup>th</sup> of every month (first time persons must pay at the beginning of the month in order to be enrolled).

### **Termination**

You are welcome to leave at any time however we recommend that you stay at least until after three months of engagement as we anticipate you will be at a better place in your own career and personal development to make strides on your own and as the term suggests “Until Success do us Part.” You are of course welcome to continue your journey with us.

N.B Should you accept these terms and then please fill out our registration form and sign your signature.
