Dear Parents & Guardians:

We have been contacted by the armed services regarding the law entitled “No Child Left Behind Act of 2001”. Section 9528 refers to armed forces recruiter access to students and student recruiting information. They have the right to the same directory information that any recruiter from a college might have.

This law grants armed services recruiting personnel the right to have school districts provide them with the names of secondary school students, their addresses, and their telephone numbers, unless a parent specifically directs us otherwise.

However, a secondary school student or the parent of the student may request that the student’s name, address, and telephone listing not be released to any recruiting source without prior written consent.

You only need to reply if you DO NOT WANT YOUR CHILD’S NAME, ADDRESS, AND PHONE NUMBER RELEASED TO MILITARY RECRUITERS AND/OR INSTITUTIONS OF HIGHER LEARNING. If we do not hear from you, we will assume that your information may be supplied to the recruiters. Please complete the bottom of this letter and return to Laurie Dahl, High School Secretary, Tamarac High School 3992 NY 2, Troy, New York 12180 **by October 19, 2022**. Thank you very much.

Yours truly,
