Education

Sport Management | In Progress | Arcadia University

- Sport management: currently enrolled in the process of finishing my senior year at Arcadia University.
- Related Course Work: Sport Science, Statistics, Financial accounting, Marketing and Management.

Skill and Abilities

- Experience with Microsoft Word, Excel, Social Media Analytics, Final Cut (video editing)

Communication and Teamwork

- I work with others very well, and have been on several varsity and college level sports teams throughout the years. I have been part of several work teams and projects in high level sporting facilities. My leadership and teamwork skills have lead to positions on Student Council in highschool, and college SAAC rep for the track team at my university. I have always found it easy to create and maintain a friendly team atmosphere during work and sports.

Management

- Able to get work scheduled and done on time with accuracy and quality. I have had plenty of experience multitasking while juggling three sports during college and a full course load every semester.

Experience

Tumbling Coach | FX Cheer | Summers 2015–2016

- I was a coach and athlete for the FX team. Working to help the local 8th graders of a nearby middle school with their tumbling goals.

Children's Running Camp Coach | UpTempo Running Camp | August 1 –September 1 2016–2018

- Teaching children ages 10 and under proper running posture, and work ethic. We also worked to teach them different running events for track and field.

Data Input | Wendi Jay Designs | August– September 2020

- Inputting data and prices into books to keep track of workflow and tasks that need to be completed. Recording completed projects.

Tennis Coach | Philadelphia Cricket Club | May-August 2021

- Coaching children 4-12 to play tennis and pickle ball in all day summer camp.
