

Tasks - Primary 5

Literacy	Write a WINTER or SNOW acrostic poem. Remember to use all your VCOP skills.	Plan a play where the main character wins a special prize/award! Remember to add stage directions.	Create a diary entry for your school closure day and illustrate it. Use the question words; who, what, where, when and how to help you.	Read for enjoyment.
Numeracy	Using your symmetry skills, can you create some symmetrical pictures? You could cut and stick/glue into your scrapbook.	Create a winter themed board game where the players need to practise their times tables.	Using the information found on the Asda or Tesco website, write a list of items you could purchase using a budget of £10.	Talk to an adult about what you have been learning about in maths. What are your own areas for improvement? Play games to focus on these. Use Sumdog or Topmarks.

Tasks - Primary 5

Health and Wellbeing	Plan a meal for an Winter Themed party. Remember a drink! List the ingredients you would need.	Write down a list of things you would need to think about to keep yourself safe when out sledging.	Participate in moderate to vigorous physical activity. (Online Zumba? Dancing? Circuits?)
