

August 2025

Dear parents and guardians,

Welcome to a new year at Northeast School! I am excited to start this new school year and meet all of my new students.

This is my 12th year here at Northeast. Prior to coming to Stamford, I spent 10 years teaching fifth grade in Waterbury, CT. I have experience working with students of varying abilities and interests. Personally, I love doing hands on science and math. I also have a great love of reading and interesting words, which I share with my students.
