

One Book, One School: At-Home Activity

Mouse and the Motorcycle

Build a Motorcycle for Ralph![Build a Motorcycle](#)

The Challenge

In *Mouse and the Motorcycle*, Ralph loves riding his motorcycle.

Imagine Ralph needs a **brand-new motorcycle** made from things you find at home.

Your job: Design and build one just for him!

What to Do

1. Look around your house for **safe materials** you can use.
2. **Build a motorcycle** that Ralph could ride.
3. Give your motorcycle a **name**.
4. **Draw a picture** of your motorcycle *or* take a photo to share at school.

Materials You Might Use

- Cardboard or small boxes
- Paper towel or toilet paper tubes
- Bottle caps or jar lids
- Craft sticks
- LEGO pieces
- String or yarn
- Tape or glue

(No special supplies needed—use what you have!)

 **Think & Explain**

Answer at least **one** question below:

- Why did you choose these materials?
- How would Ralph ride your motorcycle?
- Where would Ralph go first on your motorcycle?
