

Mr. Hassan Muhammad Khan is presently working as Chancellor of Riphah International University, chartered by the Federal Government of Pakistan, since 2017 and has also worked as Pro-Chancellor from 2002 to 2017.

Mr. Hassan Muhammad Khan has done dual majors in Industrial Engineering and Economics from Boston, USA, which he followed up with a Masters in Business Administration. He has traveled widely in the world and his areas of interest include innovation in management and educational models. Having strong expertise in the field of education management, Mr. Hassan Khan has played a pivotal role in establishment, development and recognition of institutions of Riphah International University.

He worked day and night to establish campuses of Riphah International University at various places in Pakistan and abroad including Ras al Khaimah College of Dental Sciences at Ras Al Khaimah in UAE as per vision of the founder Chancellor Late Maj. Gen. (R) Muhammad Zulfiqar Ali Khan. He is determined to promote higher education in Pakistan through Riphah International University to meet the needs of socio-economic development of the country in collaboration with the centers of excellence in education the world over.
