

2022-2023 School Year

This school year 2022-2023 school year Charlotte Upper Elementary is excited to announce that we will be continuing to build on our tradition of excellence as we work to guide our students to become great thinkers.

- 1) Lunch times have been streamlined so that students will all eat prior to 2:00 pm.
- 2) We are adding Enrichment courses which will be taught every Wednesday by our ENCORE and Title teachers that will allow students to have increased experiences such as swimming, drama, and writing.
- 3) We are increasing our Socio-emotional curriculum to be more intentional, providing time every day so that we can utilize Second Step and our PBIS program to the fullest to help students have a positive school experience.
