

Privacy Policy for Test Manager

Last updated: June 2026

Test Manager respects the privacy of its users.

This application is designed to help users manage, practice, and analyze tests. The application may display advertisements provided by Google AdMob.

Information Collection

Test Manager does not require user registration and does not intentionally collect personal information such as:

- Full name
- Email address
- Phone number
- Home address

Advertising

This application uses Google AdMob to display advertisements.

AdMob may collect certain information automatically, including:

- Device identifiers
- Advertising identifiers
- IP address
- App usage information

This information is used to provide relevant advertisements and improve advertising services.

For more information, please review Google's Privacy Policy:

<https://policies.google.com/privacy>

Data Security

We take reasonable measures to protect user information and ensure the security of the application.

Children's Privacy

The application is intended for general audiences and does not knowingly collect personal information from children.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Any changes will be posted on this page.

Contact

If you have any questions regarding this Privacy Policy, please contact the developer through Google Play.
