

YVC Canstructure

Sponsored by Performance Toyota

Video Submission Guidelines

1. Each Canstructure team must create a video less than 4 minutes in length for judging.
2. Video can be filmed with a phone or other device.
3. Video should begin with a short introduction including the **team name** and the **school district(s)** that the students are from.
For example: "Hello, we are the CanTastic Team and we are students in the Reading School District."
4. Video must contain a close-up image of your "sponsor poster" that includes the sponsor logo.
5. Video must contain students explaining the following:
 - a) What their structure is/represents
 - b) How their Canstructure was designed (structural elements), and
 - c) How it relates to the theme
6. Video must also have student representatives discuss at least one statistic on food scarcity and hunger issues that affect our community.
7. Video must include images from the building process as well as images of the final structure (a 360° walk around the structure is also recommended).
8. Video must be uploaded to the Canstructure website (<https://www.yvc-canstructure.org/video-submissions-judging>) by the posted due date/time in order to qualify for judging.
9. Winners will be announced on YVC of Reading and VOiCEup Berks social media platforms the following Sunday evening.
