

CYC Game Prayer

Dear Jesus, we seek to honor you in all we do.

*We pray that all our thoughts, words,
and actions may reflect your love for us.*

*Help us to respect those around us—our coaches, our teammates,
our opponents, our officials, and our families.*

*Help us to try our best, in everything we do, recognizing that
our gifts and talents are blessings from God.*

*And help us to remember that it profits us nothing to gain
the whole world, win every game, or succeed in every sport,
if we do not seek first your Kingdom.*

We ask this through Christ, our Lord, Amen.
