

Hades Assignment

Read the information on Hades (the underworld) with a partner.

BB:42-44

LB: 39-40

Create a summary of what you find out about Hades. As a summary of a *place*, it should be focused on:

- Important places and their purpose
- People associated with these locations
- Locations of these places in a logical way

➤ Using this summary, create a visual representation (map) of Hades as the Greeks envisioned it.

- To be considered complete, it must contain the following concepts:
- Tartarus/Erebus
 - The Rivers: Acheron, Cocytus, Phlegethon, Styx, and Lethe
 - Charon
 - Gates of Entry
 - Cerberus
 - Judges: Rhadamanthus, Minos, Aeacus
 - Pluto's Palace

All of these concepts must be labeled on your map!

You will turn in a visual and a written summary!
