IIBEC Georgia Foundation is committed to supporting the educational endeavors of college students pursuing fields of study in architectural, engineering, and construction. We eagerly encourage our members to seek out interested applicants. Involvement in the IIBEC Georgia chapter is encouraged.

Selecting each applicant is based on a point system and overall package submission. Since the chapter has very few scholarships available, IIBEC Georgia wants to make sure we award the very best. IIBEC Georgia has a committee that reviews your package and weighs the point system and overall submission to make our decision on awarded applicant. By signing below, you are certifying all provided answers, documentation and pledges are accurate and true.
