San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Yunfei Z.

Director of South Windsor, Connecticut Chapter
Tutor
San Antonio Math Include

Yunfei is part of the Class of 2023 at South Windsor High School. From a young age, he has enjoyed learning about mathematics and science, and those are his favorite subjects at school. He has also enjoyed participating in math competitions like MATHCOUNTS. He also likes to help others learn and often helps other students with math and science. Yunfei also plays the flute in his school's band. He thinks that SaMi is a great organization because it helps kids to learn about math topics, and anyone should be able to learn what they want.
