What's involved with team? At Level 3, we begin training routines for competitive gymnastics. We also focus a great deal on strength and flexibility. Our structured practices are designed for developing and perfecting each gymnastic skill. We try to keep things fun, instilling a life-long love for the sport.

Level 1 Pre-team: We prepare the girls for our competitive program. They begin working on Level 3 skills while developing the strength and flexibility necessary for more difficult skills. This is an excellent base for next year's Level 3 tryouts.

Level 3 Team: The meet season runs from September through late November. In June 2026, we will regroup our teams to better prepare for the Fall. We will determine our Summer & Fall 2026 hours in April.

If you cannot make tryouts, please email Maya at lafleurgirls@aol.com prior to November 7th to set up a private tryout time.

No make-up tryouts will be offered after December 4th.
