6:54 Upcoming PTO Nominations - Melissa Behrens

- We're a separate nonprofit, we exist to supplement and support Monroe. All parents and staff at Monroe are part of the membership of the PTO, and there is an elected leadership board. We have monthly leadership/planning meetings.
- Trying to get the PTO set up for success next year, updating the bylaws to align with reality, and allow for flexibility with leadership roles (multiple people sharing roles, etc)
 - Currently bylaws limit us to 2 years in one role at a time (though there can be shuffling roles within the board every few years, and some people can stick around, just trade jobs).
 - Would like to adapt this to allow us to serve in a role for longer (especially since we have limited leaders willing to be Treasurer) - thinking of 3 years max
 - We have several nominations to join the board, will continue to accept nominations until the May meeting. During this time, we'll be finalizing the roles before the election at the May 19th meeting (that'll be our official vote).
 - Melissa (President) is retiring from PTO Boards, and will help with volunteering and PTO committee work. Tiffany & Niki are willing to step

up to Pres/VP (or Co-Pres), Heather & Brenda willing to stay on in current roles.

- If staff or parents have other suggestions/nominations for PTO Board, please bring it up with that person, and let us know!
- We've been meeting on the 1st & 3rd Tuesdays (Board meetings once a month on 3rd Tues, public meetings every other month on 1st Tues)
 - Next year we'll have a monthly internet-safety series for 5 months, as well

7:11 Volunteer Opportunities - Wendy Brown, VSC

- Lots of field trips coming up, need chaperones!
- Fun & Fitness (40 high schoolers are coming), MCA hall monitors & workroom projects.
- Thanks to everyone to helped with Celebrity Reader Day!
- So far we've logged 2008 volunteer hours this year!
- Art Adventure - Jui will pick out next year's theme in May, cost will be about the same
 - Next year is Jui's last year, looking for someone to co-lead with her and learn the ropes alongside her.
- Volunteer appreciation week April 19-25

7:15 PTO Updates & Events - PTO Board

OVERVIEW OF ACCOUNTS
Public PTO Meeting
Tues., April 7, 2026

- \$40,000 in the bank account, if we spent every dollar budgeted, we'd have \$23,000 leftover for next year (though we usually don't spend all the dollars budgeted).
- We also manage the dedicated fund for the school - student need fund, school lets us know when they need something from that fund.
- Mr. Mack is still working to spend down his grant that we gave him 2 years ago.
- We could still respond to a large request from the school (last few years, we did a technology update, but waiting to hear what it should be this year)
 - Would love to hear from the staff about their ideas for some of the funds, too (bigger project, mini-grants, etc)
- Will start working on next year's budget soon - staff can let us know if they have adjustments or requests.
