The screenshot shows the VSP Choice search interface. It features three main search methods: location, office, and doctor. A large blue arrow on the left points to the 'LOCATION' tab, with the text 'Ponga su código postal' (Enter your zip code) inside it. Above the 'LOCATION' tab, another blue arrow points to the 'PREMIER edge' logo with the text 'De click a todos' (Click to all). The search fields include 'Zip' (under LOCATION), 'Street Address (optional)' (under DOCTOR), 'City', and a dropdown 'State'. A blue callout box says 'Seleccione OR para Oregon' (Select OR for Oregon) with an arrow pointing to the 'State' dropdown. To the right of the search fields is a blue button labeled 'ADVANCED SEARCH +'. Below the search fields, there's information about 'VSP Premier Edge™', a section for selecting locations, and a 'Search' button. A final blue arrow at the bottom points up to the 'Search' button, with the text 'De click a Search' (Click to Search) inside it.
