

Engaging in the Scholarship of Teaching & Learning

April 18th - Proposal Due

April 25th - Presentation

- a. Proposal will be a written narrative (Please do not exceed 10 pages)
 - i. Proposal should clearly illustrate:
 - 1. Need for inquiry
 - 2. Review of recent relative literature
 - 3. Methods for approaching the inquiry
 - a. Clear Objectives
 - b. Practical Application
 - 4. Anticipated Dissemination and Publication Possibilities.
 - 5. References
 - 6. Evidence of Peer Review
- b. Proposal will also be a public presentation to share to class.
 - i. As you gathering your findings and think through the analysis, you will share with the class your proposal:
 - 1. Plan on sharing your materials in an 3-minute “Lightening Presentation”
 - 2. Have a 1 page “leave behind” for the class with what relevant information.
