APPLICATION FORM

PROJECT: Resilient & Connected: Joint Initiatives Against Disinformation

SECTION 1. ORGANIZATIONAL INFORMATION

Organization name	
Registration number/IDNO	
Registration date	
Legal status of the organisation	
Legal address	
Contact Person Name/Position	
Contact Person Email	
Contact Person Phone Number	
Website (if applicable)	
Facebook/other social media (if applicable)	
Total organizational budget for the last completed financial year (EUR):	
Largest annual organizational budget to date (EUR):	

1.2 Geographic Area of Work

In which regions/districts of Moldova has your organization implemented activities during the past three years (or since registration)?

--

1.3 Organizational Mission

Provide your organization's mission statement as reflected in your registration documents.

Maximum 100 words

--

SECTION 2. COMMUNITY ENGAGEMENT

2.1 Describe up to three community-based initiatives implemented during the past three years (or since registration). Start with the most recent one.

Help text: Please ensure that the information provided clearly reflects the relevant mission and/or statutory objective(s) listed in the eligibility criteria of this Call for Participation.

Year	Target Community	Main Activities	Main Results	No of Beneficiaries	Budget (EUR)	Donor

2.2. Who are the primary beneficiaries of your work?

Tick all that apply.

- ☐ Children
☐ Youth
☐ Women
☐ Older persons
☐ Persons with disabilities
☐ Rural communities
☐ Ethnic minorities
☐ Displaced persons ☐ Local authorities
☐ Other (specify)

2.3 Have community members been involved in identifying local needs and in the design or implementation of any of your initiatives to date? If yes, provide one concrete example. Explain the role community members played and how their participation influenced the initiative.

Maximum 250 words

SECTION 3. MOTIVATION TO PARTICIPATE AND POTENTIAL TO APPLY PROGRAMME RESULTS

3.1 Why does your organization want to participate in this programme?

Please explain:

1. why this programme is relevant to your organization;
2. what your organization hopes to gain.

Help text: *Please make explicit reference to the objectives of this Call for Expression of Interest.*

Maximum 250 words

3.2 Describe up to three information-related challenges affecting the communities you work with.

Please complete the table below.

Help text: Examples of information-related challenges may include misinformation or disinformation, foreign information manipulation and interference (FIMI), low media or digital literacy, limited access to reliable information, low trust in credible information sources, information overload, online manipulation, language or accessibility barriers, digital exclusion, and other challenges affecting people's ability to access, assess, and use reliable information. These examples are provided for illustrative purposes only and are not intended to be exhaustive; organizations may propose other relevant activities based on their identified needs and context.

Challenge	Who is most affected?	How does this challenge affect your community?

3.3 Based on the information-related challenges identified above, describe how your organization intends to apply the knowledge and capacities gained through this programme to address those challenges. Please provide up to two concrete examples.

Please provide **two concrete examples**.

Help text: Examples may include: new community-based activities promoting critical thinking, media and digital literacy, and social cohesion among youth and marginalized groups; initiatives addressing misinformation, disinformation, and information manipulation; improved organizational practices; awareness-raising activities; development of educational resources; stronger community partnerships. These examples are provided for illustrative purposes only and are not intended to be exhaustive; organizations may propose other relevant activities based on their identified needs and context.

Maximum 300 words

Example 1:
Example 2:

SECTION 4. ORGANIZATIONAL READINESS AND COMMITMENT

4.1 Identify the two representatives who will participate throughout the programme.

Name	Position	Responsibilities in the organization	Expected role during the programme

4.2 How will your organization ensure that the knowledge, skills, and recommendations gained through this programme are retained, shared internally, and integrated into your organization's practices and future work?

Maximum 250 words

--

4.3 Please confirm the following.

- ☐ We commit to participating in all mandatory programme activities.
- ☐ At least two representatives will participate throughout the programme.

- ☐ The organization's leadership supports participation.
- ☐ We commit to implementing the Development Action Plan.
- ☐ We agree to participate in monitoring, learning and peer-learning activities.

SECTION 5. REFERENCES

5.1 Provide contact details for two organizations or institutions familiar with your work.

Organization	Contact person	Position	Email	Relationship
