**OCDSB IB Application Questionnaire 2026-2027**

**(For entry in 2027-2028)**

**Instructions:** Please answer each of the following questions using your authentic voice, with full sentences. Your responses should be typed into a document and saved as a PDF that you will upload with your application. Indicate clearly which response corresponds to which question. Each response should be no more than 400 words. Ideally, your response will be between 250 and 400 words.

1. What activities have you been involved with at school or in the community? Please briefly describe your role in each activity. Choose one of these activities to expand further, discussing why it is important to you and what personal growth you have experienced or expect to gain from the activity.

2. There will be many applicants for this programme. What qualities do you have, within and beyond the classroom, that you feel will lead to your success in the programme? Please explain why.

3. This programme requires you to do research in all subjects, and consistently engage in learning both in and out of the classroom. What are some of the positive and negative long term effects of relying on AI during the learning process? Please make sure in your answer you are considering the long term effects that would occur one or more years after relying on AI.

4. Describe a challenging situation in which you have been involved. What did you do to address that challenge and overcome the situation? What did you learn from this experience?

5. There are 10 attributes in the IB Learner Profile. Which IB Learner Profile attribute do you believe best represents you at this stage of your educational journey? Describe an experience you have had that demonstrates this attribute in action.
