

# Privacy Policy

This Privacy Policy applies to the **PixPrompt: Free AI Photo Editing** Prompts App (hereafter referred to as the “Application”), developed and provided as a free service by Ghauri Bros, Inc. (hereafter “Service Provider”). This service is provided “AS IS” for your use.

## Information Collection and Use

When you download and use PixPrompt, certain information may be collected automatically, including:

- Your device’s Internet Protocol (IP) address
- Pages within the Application that you visit, including the time, date, and duration of your visits
- Total time spent within the Application
- The operating system used on your mobile device

This app displays advertisements using Google AdMob and Meta Audience Network. These services may collect device information (such as Advertising ID) and app usage data for advertising and analytics purposes. We do not collect or share any personal information ourselves.

For more information, please review [Google’s Privacy Policy](#) and [Meta’s Privacy Policy](#).

**PixPrompt does not collect precise location information from your device.**

The Service Provider may use your information to contact you occasionally with important updates, notifications, or marketing promotions relevant to the Application.

For an improved experience, you may be asked to provide personally identifiable information. Any information you provide will be securely retained and used as outlined in this Privacy Policy.

## Third-Party Access

Only aggregated, anonymized data may be periodically transmitted to external services to help the Service Provider improve the Application and related services. Your information may be shared with third parties only as described in this Privacy Policy.

PixPrompt uses certain third-party services that may collect information used to identify you. Please review the privacy policies of these third-party service providers:

- [Google Play Services](#)
- [AdMob](#)
- [Google Analytics for Firebase](#)
- [Meta Audience Network Policy](#)

The Service Provider may disclose information you provide or that is automatically collected:

- If required by law (e.g., to comply with legal process or subpoena)
- When disclosure is necessary to protect the rights, safety, or property of users, others, or the Service Provider
- To investigate fraud or respond to government requests
- With trusted service providers who work on our behalf, under confidentiality agreements, and only for the purposes described in this policy

### **Communication Channel (WhatsApp Channel)**

We use a WhatsApp channel to share news, app updates, and information about upcoming projects.

- Joining our WhatsApp channel is completely optional.
- We do not collect any personal data beyond what WhatsApp already provides (such as your display name and phone number).
- Your information is not shared with anyone and is only used to send updates.
- You can leave the channel or unfollow WhatsApp Channel.
- Please note that WhatsApp is a third-party service, and their use of your data is governed by [WhatsApp's Privacy Policy](#).

If you have any questions, feel free to contact us directly.

## Opt-Out Rights

You can stop all collection of information by PixPrompt at any time by uninstalling the app. You can use the standard uninstall process available on your mobile device or app marketplace.

## Data Retention Policy

The Service Provider will retain user-provided data for as long as you use PixPrompt and for a reasonable period thereafter. If you would like your data deleted, please contact us at **zhabros@gmail.com** and we will process your request within a reasonable time.

## Children's Privacy

PixPrompt is **not intended for children under 13 years of age**. The Service Provider does not knowingly collect personal information from children under 13. If we become aware that a child under 13 has provided personal information, we will promptly delete it. If you are a parent or guardian and believe your child has provided us with personal information, please contact us at **zhabros@gmail.com** so we can take appropriate action.

## Security

The Service Provider takes your privacy seriously and uses physical, electronic, and procedural safeguards to protect the information processed and maintained by PixPrompt.

## Manage Your Ad Preferences:

You can manage or withdraw your consent for personalized advertising at any time by using the "Manage Ad Consent" option in the app's More menu.

## Changes to this Policy

This Privacy Policy may be updated from time to time for any reason. Any changes will be posted on this page. It is recommended to review this policy regularly, as continued use of the Application indicates your acceptance of any changes.

**This Privacy Policy is effective as of 2025-06-29.**

## Your Consent

By using PixPrompt, you consent to the collection, use, and processing of your information as described in this Privacy Policy, now and as amended.
