A: Round robin for pools, double elimination for top 8. Round robin: everyone plays everyone.

A: FT3 (Best out of 5) for all games: in pools, winners/losers finals and grand finals with one possible bracket reset.

Q: What's the shower situation?

A: The showers are located in lockable changing rooms.

You can easily use them as privately as a shower at home.

A: Coaching is allowed for roughly 20 seconds in between matches during a set. Only one coach per set, grand finals counts as one set (even with bracket reset)

Q: When will setups be available?

TO A: Most likely thursday 3PM to sunday midnight
