

Please copy and paste these questions into another word document and include the document as part of your application. Have questions please email us at theartshacinc@gmail.com

- 1. Please comment on experience/background (if any) that you have in any of the following areas (if already noted on your resume, provide further details here if needed). Use as much space as you need for each category.**
 - Volunteer management
 - Use of online management/registration/sign-up systems
 - Familiarity with art materials, products, mediums
 - Experience in retail settings
 - Experience with sustainability, creative re-use, and conservation efforts
 - Experience in marketing and promotion
 - Use of spreadsheets (Excel)
 - Use of word processing (Word)
 - Use of shared computer file systems (Google Drive or other)

- 2. Please summarize for us any examples you can give of how successfully you have been able to work both independently and with collaborative teams, solve problems, organize tasks, and proactively formulate new ideas to further shared goals. Use as much space as needed.**
