4-~~4~~ The S.A. Climate Emergency: How best can we cope with it, together?

Issue: Beach Cleanups and Climate Change

What happened? Please KISS (keep it short and simple) and write clearly

- Create pride in our environment to encourage keeping it clean
- 7% oil produced goes to production of plastic
- political and private sector interests in producing more plastic
- Can we ban plastic? What are the other options or alternatives \Rightarrow new economy? Green economy that's inclusive?
- Science will educate us but we must maintain our initial intention to protect the environment
- Awareness and education - cleanups in the communities? on the streets
