LEARN THE CRAFT OF UPHOLSTERY

This course provides fundamental training and hands-on experience in traditional as well as modern upholstery skills and techniques. All experience levels are welcome! Beginning students learn step-by-step how to tear down a furniture piece, assess inner-structure, gain a working knowledge of minor wood restoration, apply upholstery techniques and learn skills to achieve a professional finish. More advanced students will build on their intermediate knowledge, while learning more difficult techniques in areas such as webbing, stitches, deep buttoning.

FEES and schedules are subject to change. Please see the website for the most accurate cost of classes
