Subject Line: The secret to passing any exam effortlessly

You remember the time when it was test day and your mind went blank.

Like all your hard work of late night studying just disappeared.

You just felt like breaking down.

The worst day of your life

You walk in class and the professor walks up to your table to give you that dreadful test

You stare at the blank exam and it stares at you, in just complete distress

So humiliating... The answers wouldnt come... you want to cry

Thinking to yourself, "what do i do???"

If your tired of that sad feeling that makes you helpless and you want to turn your life around so you never have to experience that day again

Unfortunate things happen in life that makes you feel like the world has ended for you.

Late summer of 20, im cruising down the road in my brand new bright shiny red ferrari 812 superfast

I tell you it's amazing

i'm living the dream, having a blast!!!

All that hard work, sweat, blood, tears, and countless sleepless nights are finally paying off.

Its great being rich, money flowing in by the thousands a day. I've built a marketing agency and grew it beyond my wildest imagination.

And then....

The dark clouds ☁️ arrived to engulf my beautiful sunshine ☀️

My MONEY IS GONE!!!!!!

I collapsed into tears thinking what the f*** had gone wrong

My top client had been sued and lost miserably

At that dreadful moment in my life i knew i had a choice to make

I could roll up into a ball and live the broke life

Or

I could harness all the strength in my soul, Get back up again and rise back to the top!

And that's exactly what i did

Ive rewired my brain using advanced mental models that date back to the undefeated spartans of ancient greece, it gave me a new perspective and before i knew i was back and never felt better
