

## Host a Middlebury College International Student!

If you're interested in exploring a different culture and making a new international friend, join Middlebury College's Friends of International Students (FIS) host program! International Student & Scholar Services (ISSS) is recruiting hosts for our fall term 2026 matching.

Established in September 2001, the FIS host program (a friendship program) has matched approximately 1,000 students with local hosts. Our population of international students includes U.S. students who have lived abroad as well as international exchange students. Don't worry, your international student won't live with you, but rather, you'll have the opportunity to host them on visits to your home or trips around the local area. This is a great chance to bond over shared interests, learn a new language, or even cook together. The possibilities are endless!

Learn more about the FIS Host Program at our website:

<https://www.middlebury.edu/international-student-and-scholar-services/students/friends-international-students-program>.

### Wondering how to get involved?

Every potential new host family is expected to attend an information session so we can meet you and share important details about the program. Here are the dates of our upcoming Zoom meetings:

**\*\*Please check back in spring for the dates of upcoming sessions!**

Feel free to share this flyer with family and friends who may be interested. Scan the QR code to download this flyer to your phone or other digital device.

If you have further questions please email us at [iss@middlebury.edu](mailto:iss@middlebury.edu) .
