

Exprésate Level II Repaso Examen 6

Escuchemos:

- Look at the pictures of Raúl's family. Listen to what he says about each family member and decide if his statements, A, match the picture below, or B, do not. (1 pt each; 4 total)
- Listen to Luis and his tío Fernando talk about what tío Fernando was like as a boy. Base don what they say, decide if the following statements are, a, cierto o if they are b, falso. (1 pt each; 4 total)

Leamos:

- Pedro is describing how things changed when his little sister was born. Read what he says and then choose the best answer to complete each sentence. (1 pt each; 4 total)
- Read what Pedro has to say about the day his sister was born. Choose a, if the following statements are cierto, or b, if they are falso. (1 pt each; 4 total)

Vocabulario:

- Complete each of the following analogies with the correct word or phrase from the box. (1 pt each; 5 total) *You can do this! I would take the vocabulary words and put them in pairs--opposites!*
- You and Anita don't remember the past the same way. Write the opposite adjective of the one given. (1 pt each; 5 total)
- Complete the following sentences with the opposite of the adjective in the first part of each sentence. (1 pt each; 5 total)

Gramática:

- Answer the following questions about your childhood in complete sentences. (2 pts each; 10 total) *Reciprocals!!! Do you remember the notes you took on this? You also had practice questions we answered in class (See website if you need them again). What are the only three pronouns that you would use?*
- Escriban Uds. los siguientes verbos en el imperfecto. (1 pt each; 18 total) *Do you remember doing the oraciones and oraciones III? This is the same thing. I will give you sentences (the verbs will either be in the present OR preterite), and you need to put them in the correct imperfect form. BE CAREFUL!!!! Go back to the infinitive first and THEN conjugate the verbs. Don't forget about reflexive pronouns!!! Remember, there are only three irregulars. Do you remember what the form of "hay" is?*
- Your friend is asking you many questions. Write the negative expression you would use to answer each question in one or two words. (1 pt each; 5 total) *We've done this before and you CAN DO IT!!! What question words go with which negation word? Is there a difference between quién and a quién? What about the "goon?"*
- Read Cherokee's journal entry about Tuesday night and complete the sentences with the correct negative word or expression. (1 pt each; 7 total) *Again, you've done this before so you should know this. You might want to review this and go back over the previous review on negatives. For example, what negative word can be a subject?*
- Complete the sentences with the correct preterite form of each verb in parentheses. (1 pt each; 5 total)
