

Family Support Team at RBES

At Running Brook Elementary, we are committed to creating a positive school culture for students, staff, and community by focusing on building and sustaining healthy relationships and building a sense of belonging. We respect our families as our students' first and most important teachers and encourage family and staff collaboration to assist our Panthers in reaching their highest academic potential. Mr. Allen, Mrs. Gittleston and I are your partners in education. In addition to your child's classroom teachers, we are committed to supporting your child(ren) to reach their full academic and social-emotional learning successes every day. Please reach out to your administrative team and classroom teachers at any time.

We have many additional staff members who provide direct support to our families. We want to make sure you know who these staff members are and their roles at RBES.

Thank you for your continued partnership.
