## Cub Scout Pack Organizational Overview

### Den

A small group of Cub Scouts who are the same gender and in the same grade. The ideal size is 6 to 8 Cub Scouts.

### Pack

The pack is made up of several dens. The size of the pack varies based on local interest and resources. Each pack is identified by a number.

### Den Leaders

An adult, usually a parent, serves as a Den Leader. They carry out the activities related to adventures as they are presented in the Cub Scout's handbook and the Den Leader Guide.

### Cubmaster

The leader of the pack meeting is the Cubmaster. In addition to serving as the master of ceremonies the Cubmaster provides support to Den Leaders.

### Pack Committee

Made up of parents, leaders, and other caring adults the pack committee works to support den leaders and the cubmaster.

### Pack Committee Chair

The top volunteer in the pack is the Pack Committee Chair. They are responsible for ensuring enough qualified adult volunteers are in place to provide the program. They lead the pack committee meetings.

### Chartered Organization, The American Legion Post #66

This is the organization that partners with the Boy Scouts of America to deliver a Scouting program. They adopt Scouting to serve the youth in the community.

### Chartered Organization Representative

This person appoints the Pack Committee Chair and approves all adult leaders. They provide resources from the chartered organization.

### **Los Padres Council, Boy Scouts of America**

The Boy Scouts of America provides a charter to a community board of volunteers to be responsible for providing the Scouting program to a defined geographical area called a council. Councils have a volunteer board which employs a Scout Executive to serve as the CEO and give leadership to the day to day operation. The Scout Executive hires staff to provide direct and indirect support to local Scouting programs. In each council there are many more volunteers than staff as the organization is volunteer lead and professionally guided.
