Support — Easy Attendance Manager

Need help?
Email: hammadnaeemhere@gmail.com

We aim to respond within 2–3 business days.

Frequently asked questions

How do I create a class?
Open the app, go to Classes, and create a new class.

How do I take attendance?
Select a class, open the Attendance tab, and mark each student.

How do I export attendance?
Go to History and use the export option to share an Excel file.

Where is my data stored?
Your data stays on your device. We do not require an account.

How do I restore a backup?
Go to Settings → Backup & restore and select your backup file.
