SHORT FORM COPY PAS

Subject Line: Do the ideas fade away?

Focus. The thing that allows successful people to finish whatever it may be for their ideas and or projects.

But sometimes you can't make your ideas come to life. You feel strongly about this idea of yours, but you lack focus.

You consistently lack focus every time you have an idea, you just can't seem to get the work done.

So, how do you get this or these ideas to come to life?

How do you get this idea that's inside of your mind to help get you the money, the status, the professional job, or the business idea that you want without FOCUS?

You need focus. This is the way to attain anything you want in life.

Are you ready for a better future? If you are then [Click Here](#)

SHORT FORM COPY HSO

Subject Line: My thoughts wandered to Neverland

My thoughts always wandered to Neverland.

Dreams I thought were not possible. Just something within my imagination.

The Sports cars I've always wanted, the big houses, my beautiful wife that would never have to work, and the 7 dogs playing in the backyard.

Just the thought of not fulfilling my dreams broke me..

But one day my coworker showed me that I CAN attain my dreams. Like he attained his.

[Don't wander aimlessly into Neverland again click here](#)
