The Ohlone Promises Scholarship

Dear Ohlone Promises Scholarship Donor,

It such an honor to have this award, I want to express my gratitude for your financial support for the next two years. Thanks to your generosity I can focus more on studying and not worrying for money.

Currently I have a part time job as a host in a restaurant, I started working since I was fifteen and because of all the experiences I had at my workplace I know the value of money. I am extremely grateful for selecting me. I am planning to transfer on my second year of college to East Bay. I want to get an AA in Art. My goal is to study Landscape Architecture. On behalf of my family and I, we would like to thank you again for all that you are doing.

Sincerely,

Ana Diaz
