You've got anot spoiled by beauty
I have somefrom where I've been
You've got that can see right through me
You're not afraid of anything they've seen

I was told that I would
Nothing the first time
I don't know how these cuts heal
But in you Ia right

If there is a.....
You can always see
And there is a world
We can always be
If there is a
That we shouldn't doubt
And there is a light
Don't let it go out

And this is a song
A song for someone
This is a song
A song for someone

You let me into a conversation

A conversation only we could make
You're breaking into my imagination
Whatever's in there is yours to take

I was told I'd
Nothing the first time
You were slow to heal
But this could be the night

If there is a
You can always see
And there is a world
We can always be
If there is a
Within and without
And there is a light
Don't let it go out

And this is a song
A song for someone
This is a song
A song for someone

And I'm a long way
From your hill on Calvary
And I'm a long way
From where I was, where I need to be

If there is a
You can always see
And there is a world
We can always be
If there is aI stole from your mouth
And there is a light,
Don't let it go out
