“Life's dance with a mentor's care,

Guidance strong, beyond compare.

Through trials and triumphs, hand in hand,

A confidant in their presence, where trust will stand.

A listening ear, doubts they ease,

Calming fears with gentle peace.

Wisdom's light guides, a steady hand,

Through unclear paths, by their side we stand.

Laughter shared in moments bright,

In understanding's embrace, taking flight.

Supportive bond, steadfast and true,

Respect and trust forever grew.

An adult ally, lifting through each fall,

Nurturing connection, strong and tall.

In this shared journey, promises deep,

A bond to keep, in trust we reap..”
