2. Once you leave the student parking lot, you will be directed down the fire lane. At the end of the firelane we will check your ID and hand you your name card that you will give to the counselors at the stage.
3. Once you leave the ID check, we will direct you down the bus lane to the entrance gate to the campus.
4. On campus you will go right and be directed onto the concourse right outside the horseshoe.
5. From there you will be directed towards the solar panels that are on the side of the girls locker room.
6. Once you are lined up outside the girls locker room, we will direct when the graduate should exit the vehicle. All others must remain in the vehicle.
7. Now will be the time that we announce your graduates name and they will proceed to walk across the stage. As they walk across the stage, you may travel in your vehicle and take pictures as your graduate receives their diploma case from Mr. Capps. Feel free to take as many pictures as you would like. We will also have professional photos taken by School House Photo.
8. Once the graduate receives their diploma case they will exit the stage and get back into their vehicle.
9. Once they are back in their vehicle the vehicles will be exited off campus through the gate by the band room.
10. From there the vehicles will enter the admin parking lot where the graduates will receive their diplomas.
