

The Twin Lakes Senior Golf Club (TLSGC) is a men's over 55 golf league that plays on Mondays from April thru October at Twin Lakes Golf Course in Clifton, Virginia. There is an annual membership fee (\$110 for 2026) which includes registering you to maintain your handicap in the USGA's Golf Handicap Information Network (GHIN) which is a requirement to play in the league. If you already pay for GHIN membership and want to continue to pay separately, membership dues are only \$75. The league reserves tee times at Twin Lakes Golf Course (either the Oaks or Lakes) each week starting with earliest tee times and going to early afternoon. Each week a different game is played and members compete for prizes. For types of games played [click here](#). For more questions, please contact us at TLSGC1983@gmail.com.
