

Axel's favourite book: Charlie and the chocolate factory.

What is the book about?

It's about Charlie. He lives in a small house, with not much food to eat. Charlie listens to Mr Wonka and is the nicest child, so he gets to live in the chocolate factory – which is very big and has lots of food, especially sweets!

Why is it your favourite?

Reading this book makes me happy. The pictures are nice and make me smile. I think I would like to be friends with Charlie because he seems to be nice. I like that Charlie gets to live in the factory by being kind and nice.

There is also a very fun part when a character falls in the TV!
