

The Four Directions Men's Circle

Hi there -

I'm sorry you've arrived at a dead end - this group closed in 2020. The group is linked somewhere on MKP's web pages and I have tried to remove all references but there's still some out there, I don't know where!

I also don't have anywhere to refer you to except back to MKP which is likely round in a circle and not the path you were looking for, I'm sorry: <https://mankindprojectuki.org/>.

I wish you all the best in finding a group.

The journey continues
