

Good Shepherd Church
Music Ministry Report to Parish Council
October 1 2025

The **Season of Creation** concludes this weekend, October 4th & 5th. **Ordinary Time** will continue through November 22nd & 23rd (**Christ the King**), and **Advent** will begin the following weekend (Nov. 29th & 30th). The music ministries are already thinking about planning for **Advent** and **Christmas**.

The 5:00 Ministry would like to welcome Ally, who first joined them on September 13th. Ally is the group's first youth singer in a while – hopefully, she will inspire others to also get involved!

The musicians from all three Masses are planning to have group photos taken for the new Pictorial Directory. Joanie E. (Art & Environment Chair and Graphic Designer for the project) will be taking the photos. The Saturday musicians were the first group to meet and they had *way* too much fun staging a few different photos! Cris will edit/share the photos with Joanie for approval.

The Bob Killoren song books have arrived! Pat K. and Barb H. will be stamping them "Property of Good Shepherd" and will distribute them in the Sanctuary. Adam H. and Joanne R. are going to start working on the piano accompaniment book, which will take a good deal of effort. The goal is to have them finished sometime this Fall. Contributions to this project are welcome and can be done online ("Online Giving" > "Music Ministry").
