

Chamonix Casino Hotel Review

The Chamonix Casino Hotel will be located adjacent to the Bronco Billy Casino in Creeples Creek, Colorado. The hotel will almost double the hotel capacity of the historic mining city. In addition to games and 300 rooms and suite hotels, it has a luxury dining area, conference and convention space, a rooftop pool and a self-parking garage that can accommodate more than 300 vehicles.

Bronco Billie will continue to operate while the new casino hotel is being built. Upon completion and opening, owner-operator Full House Resorts plans to temporarily close Bronco Billy for a large refurbishment and reopen in time for the summer season. The company expects to open Chamonix on December 26, 2023, with a near-complete experience with three hotel towers, a new casino, a luxury restaurant and a parking lot all in place. [바카라](#)
